A WARM WELCOME  
TO OUR FOUR-LEGGED FRIENDS!

No matter how tall or small the paws are  
that accompany us,  
they leave traces for eternity in our hearts.

### **Information for you and your four-legged darling!**

Pets are more than welcome in our hotel.  
A welcome bag will be expecting you on arrival.

We welcome your four-legged friends in the  
lobby area, at the patio, in the “Kamin” bar  
and in the restaurant.

Please inform the reception if you want to eat with your pet  
in the restaurant so that we can arrange  
a table in a special area for you.

**In the wellness area as well as in the entire sunbathing  
area, dogs are not allowed.**

Due to hygiene reasons and also out of consideration for the  
hotel guests pets are not allowed in the buffet area, on  
tables, benches and chairs as well as it is prohibited to feed  
them with the dishes of the restaurant.

If you want us to clean your room please  
put the dog card on the door latch.  
Please notice that our staff does not enter  
your room in case your dog is on its own  
(due to security reasons).

**For the safety of you and your animals,  
please note the general duty for dogs carrying a leash in  
the hotel and in the field,  
especially on trails and pastures.**

We are happy to give more information on directions.  
€ 15,00 are charged per night for your pet.

We reserve our right to charge a final cleaning  
fee of € 40,00 in case of intense pollution.

For further questions or requests  
the staff at our reception is at your disposal any time.
